

## Past Exam Questions Suitable for 2008-9 MST MS5 and ETIA 3E10

This document lists past exam questions which students can use to prepare for the MST MS5 and ETIA 3E10 examination in April 2009. We emphasise that the list of topics covered by these past exam questions is *not* exhaustive as a list of possible topics that may be asked this year.

Past MST MS5 and MET P2 questions can be obtained via:

[http://people.pwf.cam.ac.uk/iar1/teaching/index.html#et2a\\_3e10\\_mst\\_ms5](http://people.pwf.cam.ac.uk/iar1/teaching/index.html#et2a_3e10_mst_ms5)

### MET P2

2004: 6

2005: 6, 7

2006: 6, 8 (a)

2007: 6

### MST MS5

Best questions:

2000: 6 (except (b))

2001: 5, 8

2003: 6, 8 (a)-(e) ((e) ambiguous, but assume you have to find the schedule)

2004: 6

2005: 8

2006: 8

2008: 8

The following questions are less good, but OK for further practice. We will not be providing any help with these beyond the bottom-line answers on Ian Rudy's webpage:

2000: 5, 8

2001: 7

2002: 7, 8

2007 5 (except (b)), 7

2008 5 (a)-(c)
